

MapSource Software Compatibility Chart

	City Navigator	City Select	MetroGuide	Roads & Recreation	Blue Chart	U.S. Topo	WorldMap	Points of Interest
eTrex Venture, GPS 72, GPS 76, Rino 110	Transfers waypoints, routes & tracks only. Real time tracking. Requires Unlock.	Transfers waypoints, routes & tracks only. Real time tracking. Requires Unlock.	Transfers waypoints, routes & tracks only. Real time tracking.	Transfers waypoints, routes & tracks only. Real time tracking. No Map Downloads.	Transfers waypoints, routes & tracks only. Real time tracking. No Map Downloads. Requires Unlock.	Transfers waypoints, routes & tracks only. Real time tracking. No Map Downloads.	Transfers waypoints, routes & tracks only. Real time tracking. No Map Downloads.	Tranfers waypoints, routes & tracks. Accepts 1MB of Points of Interest data. Real Time tracking.
eTrex Legend	Transfers waypoints, routes & tracks. Accepts 8MB of maps. Address Lookup. *No Autorouting. Real time tracking. Requires unlock code.	Transfers waypoints, routes & tracks. Accepts 8MB of maps. Address Lookup. *No Autorouting. Real time tracking. Requires unlock code.	Transfers waypoints, routes & tracks. Accepts 8MB of maps. Address Lookup. *No Autorouting. Real time tracking.	Transfers waypoints, routes & tracks. Accepts 8MB of maps. Real time tracking.	Transfers waypoints, routes & tracks. Accepts 8MB of maps. Real time tracking. Requires Unlock code. **Limited compatibility.	Transfers waypoints, routes & tracks. Accepts 8MB of maps. Real time tracking.	Transfers waypoints, routes & tracks. Accepts 8MB of maps. Real time tracking.	Transfers waypoints, routes & tracks. Accepts 8MB of Points of Interest data. Real time tracking.
eTrex Vista	Transfers waypoints, routes & tracks. Accepts 24MB of maps. Address Lookup. *No Autorouting. Real time tracking. Requires unlock code.	Transfers waypoints, routes & tracks. Accepts 24MB of maps. Address Lookup. *No Autorouting. Real time tracking. Requires unlock code.	Transfers waypoints, routes & tracks. Accepts 24MB of maps. Address Lookup. *No Autorouting. Real time tracking.	Transfers waypoints, routes & tracks. Accepts 24MB of maps. Real time tracking.	Transfers waypoints, routes & tracks. Accepts 24MB of maps. Real time tracking. Requires Unlock code. **Limited compatibility.	Transfers waypoints, routes & tracks. Accepts 24MB of maps. Real time tracking.	Transfers waypoints, routes & tracks. Accepts 24MB of maps. Real time tracking.	Transfers waypoints, routes & tracks. Accepts 24MB of Points of Interest data. Real time tracking.
GPSMAP 76, GPSMAP 76S	Transfers waypoints, routes & tracks. Accepts 8MB (76) and 24MB (76S) of maps. Address Lookup. *No Autorouting. Real time tracking. Requires unlock code.	Transfers waypoints, routes & tracks. Accepts 8MB (76) and 24MB (76S) of maps. Address Lookup. *No Autorouting. Real time tracking. Requires unlock code.	Transfers waypoints, routes & tracks. Accepts 8MB (76) and 24MB (76S) of maps. Address Lookup. *No Autorouting. Real time tracking.	Transfers waypoints, routes & tracks. Accepts 8MB (76) and 24MB (76S) of maps. Real time tracking.	Transfers waypoints, routes & tracks. Accepts 8MB (76) and 24MB(76S) of maps. Real time tracking. Requires Unlock code. **Limited compatibility.	Transfers waypoints, routes & tracks. Accepts 8MB (76) and 24MB (76S) of maps. Real time tracking.	Transfers waypoints, routes & tracks. Accepts 8MB (76) and 24MB (76S) of maps. Real time tracking.	Transfers waypoints, routes & tracks. Accepts 8MB (76) and 24MB (76S) of Points of Interest data. Real time tracking.

Rino 120	Transfers waypoints, routes & tracks. Accepts 8MB of maps. Address Lookup. *No Autorouting. Real time tracking. Requires unlock code.	Transfers waypoints, routes & tracks. Accepts 8MB of maps. Address Lookup. *No Autorouting. Real time tracking. Requires unlock code.	Transfers waypoints, routes & tracks. Accepts 8MB of maps. Address Lookup. *No Autorouting. Real time tracking.	Transfers waypoints, routes & tracks. Accepts 8MB of maps. Real time tracking.	Transfers waypoints, routes & tracks. Accepts 8MB of maps. Real time tracking. Requires Unlock code. **Limited compatibility.	Transfers waypoints, routes & tracks. Accepts 8MB of maps. Real time tracking.	Transfers waypoints, routes & tracks. Accepts 8MB of maps. Real time tracking.	Transfers waypoints, routes & tracks. Accepts 8MB of Points of Interest data. Real time tracking.
iQue 3600	Transfers waypoints. Load maps with SD cards or internal memory. Requires unlock code. Address lookup. Autorouting. Voice guidance.	Transfers waypoints. Load maps with SD cards or internal memory. Requires unlock code. Address lookup. Autorouting. Voice guidance.	Transfers waypoints. Load maps with SD cards or internal memory. Address lookup. Autorouting on PC only.	Transfers waypoints. Load maps with SD cards or internal memory.	Transfers waypoints. Load maps with SD cards or internal memory. Requires unlock code. **Limited compatibility.	Transfers waypoints. Load maps with SD cards or internal memory.	Transfers waypoints. Load maps with SD cards or internal memory.	Transfers waypoints. Load Points of Interest with SD cards or internal memory.
GPS V	Transfers waypoints, routes & tracks. Accepts 19MB of maps. Requires unlock code. Address lookup. Autorouting. Real time tracking.	Transfers waypoints, routes & tracks. Accepts 19MB of maps. Requires unlock code. Address lookup. Autorouting. Real time tracking.	Transfers waypoints, routes & tracks. Accepts 19MB of maps. Requires unlock code. Address lookup. Autorouting on PC only.	Transfers waypoints, routes & tracks. Accepts 19MB of maps. Real time tracking.	Transfers waypoints, routes & tracks. Accepts 19MB of maps. Requires unlock code. **Limited compatibility.	Transfers waypoints, routes & tracks. Accepts 19MB of maps. Real time tracking.	Transfers waypoints, routes & tracks. Accepts 19MB of maps. Real time tracking.	Transfers waypoints, routes & tracks. Accepts 19MB of Points of Interest data. Real time tracking.

***No Autorouting: Although these Mapsource products will provide turn by turn directions on the computer, certain units do not support turn by turn directions and will give straight-line directions.**

****Limited Compatibility: These Units will display the mapping of the software, but will not be able to show certain features of the BlueChart CD. These features include: tides, chart & navigational aid properties.**
